Bill No. SB 214

Senate Local Government

SB 214

I would strongly support SB 178, and Thank Senator Arntzen for her steadfast concern for the hundreds of people that became affected when the Yellowstone County Commissioners granted a variance request in 1973 to company that manufactured steel products that was a great company and respected the fact that they were in close proximity to a residential neighborhood. About five years ago that original company moved out of this location and a business from Canada moved in to manufacture Oil Field tanks for the Bakken Boom this company had no concern for the neighborhood, sandblasting, painting, pounding on steel, backup alarms at sometimes 20 hours a day and seven days a week.

By passing this bill it would provide a process that the people would have to address their concerns that enjoyment of their property is not being infringed.

To get a firsthand look at the issue before you I would suggest a Facebook page "Big oil in Billings Mt"

Thank You

Kevin Nelson
